# INTERTALENT RIGHTS GROUP

## ROAR GROUP BECOMES INTERTALENT

As the next stage in its evolution ROAR Group is rebranding as the InterTalent Rights Group.

This marks the natural consolidation of our businesses which are widely recognised as comprising the UK's pre-eminent independent talent representation company with considerable global reach.

Re-branding will embrace the ROAR Group heritage while consolidating through InterTalent the ability to create even greater opportunities for clients to achieve and maximise their ambitions. InterTalent will deliver maximum synergy by harnessing the expertise of ROAR, CKP and Cole Kitchenn across broadcast, performance, comedy, music, sport, digital, social media, influencers, IP, literary, creative and brand management.

Our clients broadcast thousands of hours a year. We have created unique national and global strategic relationships with a whole array of companies including ITV, BBC, Amazon, Netflix, Syco, Universal, Sony, Global Entertainment (Capital FM, Heart, Smooth & Classic FM), BBC, Warner Bros, Telepictures, Saban, Discovery, National Geographic and international partnerships with CAA, UTA, WME.

Our Music artists have won more MOBO awards than any other management company. CKP received two Newcomer nominations at last year's Edinburgh Fringe Festival and represents the UK's biggest selling live comedian. The acting and creative talents of Cole Kitchenn are omnipresent on TV, stage and screen having in recent years won or been nominated for BAFTA's, Olivier's, Evening Standard, Whatsonstage and Grammy Awards.

We are now at the point where the whole of the business is greater than the sum of its individual parts. Coming together as InterTalent reflects this. It recognises that Talent should no longer be constrained to sit in one realm. Today's brightest stars are those who cross boundaries.

InterTalent will ensure that all its clients ACHIEVE and SUCCEED across the spectrum. The combined breadth of experience, knowledge and skill of the InterTalent team will be unrivalled.
